

Dear Parents,

Allison Fears, M.S. CCC-SLP and Susan Braun, M.S. CCC-SLP will be conducting speech and language screenings this year. Allison is a Speech/Language Pathologist with 9 years experience. She has worked at Kosair Children's Hospital and Harvey Browne Preschool. Susan is a speech pathologist with 2 years experience. She has also worked at Kosair Children's Hospital. The speech/language screenings are optional, but we would like to encourage you to take advantage as speech and language is so vital in the educational process, and early intervention can have a huge impact on later learning.

The cost of the speech and language screening this year will be \$20.00. Screenings will take place in two phases. Screenings for 4's and Kindergarten children will begin mid September. Two and three year old children will be screened beginning early in October. You will receive the results of the screening and will be contacted by Allison or Susan if any additional follow-up (i.e. formal evaluation, etc.) is recommended. Allison and Susan will provide speech/language evaluations and therapy at school on a fee for service basis or can provide you with outside resources if you wish to pursue services elsewhere.

If you want to take advantage of the speech and language screening, please fill out the following form and return it to school.

Please enclose this form and \$20.00 in a sealed envelope with Allison Fears' name and your child's name on the outside by Sept. 7th if you are interested in a speech/language screening for your child. Please make checks payable to Allison Fears, CCC-SLP.
